

FACE PAINT AND BALLOON ANIMALS

Face/Arm Painting

We use gorgeous sparkles in our face painting for the girls and there are lots of great options for the boys to choose from too!

For any one that does not want their faces painted, the arm painting is another brilliant option and we also offer glitter tattoos upon request.

Looking for just face painting? No problemo, you can leave out the balloons and focus on just face painting.

Balloon Animals

We love to twist.. and make balloons animals for all the kids – we can make puppies, swords, wands, butterflies, giraffes, bunnies and lots more!

Looking for just balloons? No worries! You can leave out the face painting and focus all of the time on balloon animals!

Set Up

All we need on the day is a table, 2 chairs and a cup of water for our brushes!
